

**Guidelines on awarding funding for travel costs**  
**as part of the target agreements between the Executive Board and the Faculty of**  
**Business, Economics, and Law at Friedrich-Alexander-Universität Erlangen-Nürnberg (FAU) for increasing the proportion of women in academia**  
**2023–2027**  
**(updated April 2nd, 2024)**

**Important information:**

1. Only **one trip per year** per applicant is eligible for funding.
2. Each applicant can receive funding **three times** during the entire duration of the target agreement period from 2023 to 2027.
3. FAU employees must complete form R0001; Application for approval of an official journey or training journey, last updated: July 1, 2016.  
Applicants who are not employed by FAU must clearly state the nature of their ties with the University in their application.  
External applicants must use form R0024; Authorization to carry out a journey, last updated: July 1, 2016.  
Both forms are available at <http://www.zuv.fau.de/einrichtungen/personalabteilung/handbuch-personal/dienstreisen/formulare/>
4. **Rail travel costs** are only reimbursed in full if the applicant used a 'Bahncard' (otherwise only proportionately).
5. **Please note the following when traveling by car:**  Journeys by car are only reimbursed if there is an urgent need (e.g. cost savings by taking passengers, heavy equipment needs to be transported) at a rate of 0.35 euros per kilometer traveled. This rate is reduced to 0.25 euros per kilometer traveled if a car is used for travel without any urgent need.
6. A daily allowance (subsistence costs) is not reimbursed.

7. Personal visits

If the business journey is followed immediately by a private stay, a **cost comparison** must be submitted together with the application. This comparison (e.g. from the Internet) must clearly show the costs for the return journey directly after completion of the official stay and the costs for the return journey after completion of the private stay.

8. **Students** are **not eligible** for funding as part of the target agreements.

Female doctoral, postdoctoral, and habilitation candidates and research assistants must submit the following documents **at least six weeks** before the planned journey:

1. Cover letter with reasons for making the journey
2. Application form for official journey
3. Curriculum vitae including a list of publications if applicable
4. Breakdown of costs
5. Description of the conference (brochure, website or similar)

8. Statement that no other funding or reimbursement of travel expenses is provided
9. Letter of support, issued by the officer for equal opportunities for women in science and the arts at the School

**The maximum funding available per journey is 1,400 euros.**
